

Ben Sarton and Michelle Dawson from SLR Consulting will present this webinar on Noise at Work and your legal requirements:

Description:

Ben Sarton and Michelle Dawson from SLR Consulting will present this webinar which considers the risk to employees from **Noise at Work**; the legal requirements for employers ensure that their employees are protected from exposure to excessive noise levels, the procedures to assess whether employees are at risk and the actions that can be taken to reduce noise levels within a workplace.

The webinar also outline how managers can train and educate employees to become more aware of the risks and to help them identify any potential breaches in **Noise at Work** Regulations.

Who should attend:

The webinar will be of interest to H&S Managers, H&S Directors, as well as middle and senior management who are involved in shop floor operations.
